About me

Someone whose mind is always running with new and fresh stories, especially when he's animating, brainstorming, or working on concept art.

Education

Bachelor of Design - **B.Des.**
National Institute of Design Madhya Pradesh
2021 - 2025.

Work Experience

Director & Animator - Kumari: The Lost Continent

A 13-minute self-sponsored **2D animated film/pilot** and an Internet sensation based on **Kumari Kandam**, directed and animated as my Graduation project.

Trailer - <https://youtu.be/GptKsCT8Tag?si=XcUZuJzATcwieqil>

Skills used - Direction, storyboarding, concept art, screenplay writing, color scripting, voice acting, 2D animation, background art and editing.

2D Animator - Ghughuti ki Maala

Contributed through concept art of diverse character designs, their variants, and multiple iterations for the animated short film '**Ghughuti ki Maala**' directed by **Ketan Pal**. Also worked on animations using a secondary art style distinct from the primary style used in other sections of the film.

Trailer - <https://www.youtube.com/watch?v=6xiB5s2eCd4>

Skills used - 2D Animation, Concept Art, Character Design.

2D Art Intern - Nextwave Multimedia

Worked on storyboards for an internal game project at **Nextwave Multimedia**, along with character concept art for a separate game mode in **World Cricket Championship 3**, which included stylized character explorations.
